Expression of Interest for Hand Held Drug Detection Kits based on the technology of Raman Spectroscopy and/or on other emerging technologies

The Narcotics Control Bureau is planning to explore the possibility of procuring Hand Held Drug Detection Kits based on the technology of "Raman Spectroscopy and / or on other related technologies" for the testing and detection of substances covered under Narcotic Drugs and Psychotropic Substances (NDPS) Act, 1985 (as amended) and Regulation of Control Substance (RCS) orders 2013. This expression of interest is being floated with a view to identify the probable vendors who are supplying the state of art drug detection kits/ equipment. The vendors are requested to forward information of their products. The list of substances covered under NDPS Act, 1985 (as amended) and RCS Orders 2013 is enclosed in **Annexure-A**. In addition to above, the vendors are required to furnish details as per proforma enclosed as **Annexure-B**.

2. Apart from the information as desired above, the vendors are also requested to forward technical details of the products in the form of brochures and literature regarding suitability of their products pertaining to the substances under consideration and should also demonstrate their kits/equipment 03.10.2019 positively.

3. The required information/details should be forwarded in hard copy may be forwarded to the address mentioned under by 30.09.2019.

The Director General
Narcotics Control Bureau
West Block 1, Wing No. V,
(Tele/fax: 011-26761144 /26185240)

4. Soft copy of the information and other relevant details may also be provided by E-mail suptpc-ncb@gov.in

5. Applicants meeting the qualification criteria may be invited for presentation before the committee of NCB with an advance intimation of dates.

6. An early response is solicited.
