Union Home Minister and Minister of Cooperation Shri Amit Shah has congratulated the joint team of Narcotics Control Bureau (NCB) and Delhi Police for busting Mega Trans-National Methamphetamine Cartel under Operation “Crystal Fortress”.

In a post on X platform, Union Home Minister and Minister of Cooperation Shri Amit Shah said that “Our govt is shattering drug cartels at unprecedented pace. Fiercely pursuing the top-to-bottom and bottom-to-top approach to the investigation of drugs, a breakthrough was achieved by seizing

328 kg of methamphetamine worth ₹262 crore in New Delhi and arresting two. The operation was a brilliant example of seamless multi-agency coordination to achieve PM Modi Ji's vision for a drug-free India. Congratulations to the joint team of NCB and Delhi Police.”

In an important break-through, Narcotics Control Bureau (OPS Branch) in collaboration with Special Cell, (CI) Delhi Police has busted a trans-national trafficking network with seizure about 328 kilograms of high-quality Methamphetamine from a house in Chhatarpur, Delhi, on 20.11.2025 under Operation Crystal Fortress — a coordinated intelligence-driven crackdown targeting high-volume synthetic drug networks.

This decisive action is the culmination of a relentless pursuit over last few months based on intelligence and technical intercepts uncovering a well-organized trafficking chain, eventually leading to this major breakthrough.

Two persons, including a woman from Nagaland, detained with the support of Nagaland police from whose residence the bulk seizure was affected, have been arrested and other operatives have been identified which include kingpin operating from abroad, who is also wanted in the case related to the seizure of 82.5 kilograms of high-grade cocaine case last year in Delhi by NCB. Efforts are underway, in coordination with international enforcement partners, to secure his deportation to India to face legal proceedings.

This is one of the biggest catches of Methamphetamine in Delhi. Preliminary investigation indicates that the cartel was operating through multiple couriers, safe-houses, and layered handlers, with Delhi being used as a key hub for distribution both within India and to overseas markets.

Operation “Crystal Fortress” underscores NCB’s unwavering focus on dismantling synthetic drug cartels and their trans-national networks. To fight against drug trafficking, NCB seeks support of the citizens.
